DEDICATION

As a means of thanking Mr. Louis Biskup for the five years he has worked with us as our class adviser we, the senior class, wish to dedicate the "Boondocker" of 1952 to him.

We are extremely grateful for his encouragement and enthusiasm at the times when our zeal was gone. He has helped to make our work enjoyable, and we trust this volume will be a reminder of his years at Quantico Post High School.

CLASS HISTORY

As graduation time draws near, we the class of 1952 look back upon the past six years with a feeling of having accomplished our high school education successfully.

In the autumn of 1946 our long journey began. Our first two years were very uneventful as we were lower classmen and were left to ourselves. In the eighth grade Mr. Biskup became our adviser and remained with us throughout our high school years. We had shindigs of our own and as we graduated to freshmen we began to take part in the activities of the high school. Under the leadership of Bill Hull, as class president, we sponsored the spring dance and decorated the Post Theatre for the commencement exercises. At the end of this year we lost Jim Lane, Clark McIlwain, Bill Hull, Alice Lloyd, Mary Jo Leake, Tom Swartzel, Mary Jane Snapp, and Bill Roberts.

The Christmas Dance at the Staff Noncommissioned Officers Club was the highlight of our sophomore year. Class prexy was Kathy Watson, and we started a candy concession during lunch hour with all proceeds going to our class banquet at the Staff Club. As June came around again we saw Dot, Kathy, and Betty Lou going to Massanetta Springs on a music scholarship. As the year drew to a close we lost Peggy Boyd, Ginny Thomas, Conard Bryant, Kattina Baty, Jack Bowman, Dot Smith, Ray Wigglesworth, Jack Humphrey, and George Brower. During the summer months tragedy struck our class when Kathy was stricken with polio. In an iron lung for over two months she stayed in hospitals for the next year and successfully won a hard fight.

In our junior year we gained two new students, Bob Call and Carolyn Shoup, with Carolyn and Nancy Vogt later going to the senior class. Murray was co-president of the Hut and Betty Lou was serving as class president. We sold red hats and what a job that was! At Christmas time we had our usual party and after a fine meal we went to the Anderson

Hospital to visit Kathy. Almost from the beginning of the year we were working on plans for the Junior-Senior Prom. We had it outside on the terrace at Harry Lee Hall and with our unusual buffet we gave a very successful dance. Our junior banquet was at Colchester Inn and with Mr. Ratzlaff and Mrs. Biskup as our guests we had a wonderful time. During the summer months Murray and Betty Lou were elected to attend Boys' and Girls' State held on the campus of Virginia Polytechnic Institute during July. During the course of the year we lost Pat Sumners, Irene Weigand, Bootie Horner, and Fred Johnson.

As our senior year began Kathy was once again back with us and we gained Shirley Hupfer from Texas, Chuck Falkner from Hawaii and had Frank Loftin with us for a few weeks. We'll never forget the day our class rings arrived and the ring party at Kathy's house. Betty Lou was class president again and in November we gave the Welcome Freshmen Dance. Tom was captain of the football team and he and Murray were both on the first string of the varsity basketball team. Pat, Shirley, and Betty played on the girls' basketball team. Our Christmas party was the best we ever had. Betty's mother baked a delicious ham which made our buffet complete. In the school publications our class was contributing as much as it could. Chuck was editor of the GIZMO, Betty Lou was editor of the BOONDOCKER and Shirley was business manager. Bob Call was production manager of the GIZMO. Other members of our class also contributed to these publications. We ordered our caps and gowns; and, in February, we went to Camp Lejeune. Before we knew it spring was here and we were having our ditch day, class banquet, senior prom, and finally to top it all off, graduation.

These are the memories of our high school years that will not soon be forgotten by any member of the class of 1952 as we go forth in life to college and our future occupations.

REUNION OF THE CLASS OF 1952

A gala reunion of the class of 1952 was recently held at Harry Lee Hall. It seems to your reporter that the students who graduated from Quantico Post High School in 1952 have really done very well for themselves.

Murray Sanford, a wealthy retired merchant, flew from his home on South Pacific island of Toka Waka to attend this affair.

As I look around the room I see Kathern Watson who is now a medical secretary to the president of Mayo Clinic.

Also pursuing a medical profession is Patricia Painter who is the chief physical therapist at the Georgia Warm Springs Foundation.

Thomas Kilday is doing very well for himself as a civil engineer. Also working as a civil engineer is Charles Falkner who is employed by the Dravo Corporation in Pittsburgh, Pennsylvania.

We find that Betty Lou Anderson is still working in the literary field as she is now the editor of the great New York Times.

Another familiar face is that of Shirley Hupfer who is a top model of the Barbizon Modeling Agency of New York City.

Also living in New York is Betty Barnette who is secretary to John D. Rockefeller, Jr.

Among those attending the reunion is Robert Call who recently acquired fame as the electronics engineer on the first rocket ship into outer space.

Seen talking with the former students of his class is Mr. Louis Biskup who came with his wife and daughters. Mr. Biskup is now coach of the championship basketball team at Madison Square Garden.

It was gratifying to learn that each member of the Class of 1952 is successful in his chosen field.

LAST WILL AND TESTAMENT

We, the Graduating Class of Quantico Post High School, in the county of Prince William, and the state of Virginia, being of sound mind and body, do hereby make the following bequests:

We, the Graduating Class of 1952, will our heartfelt devotion and appreciation to Mr. Louis Biskup, in hopes that he will always remember us.

- I, Betty Lou Anderson, will my knitting needles to Karen Smylie to help her keep occupied during her senior English and social studies classes.
- I, Betty Barnette, will my promptness and alertness to Frances Carrington so that she will have a happy senior year.
- I, Robert Call, will my ability to fail tests to Harold Carrington in hopes he can do it better.
- I, Charles Falkner, will to Billy Childress my old razor to keep his head shaved.
- I, Shirley Hupfer, will my height to Martin Texler, so he may assist Bobby Vaughan in getting the rebounds.
- I, Thomas Kilday, will my ability to shoot lay-up shots to my brother John, so that he will be a better athlete.
- I, Patricia Painter, will my diamond to Ann Jones as a hint to Reid Paige.
- I, Murray Sanford, will my ability to enjoy myself to Jim Sabey so he will have a joyful senior year.
- I, Kathern Watson, will my wheel chair to Reid Paige so that he may always be on a joy ride.

IN WITNESS WHEREOF, we have hereunto set our hand to this LAST WILL AND TESTAMENT at Quantico, Virginia, the 13th day of June, 1952 A.D.

FOOTBALL

Quantico Post High School increased its schedule to six games for the 1951 season. It is the third year for Post High in six-man football, and it probably will remain as a major sport of the school.

As in past years, boys' basketball remains the most popular varsity sport in Post High. The team was most successful in its competition against other schools in the surrounding area.

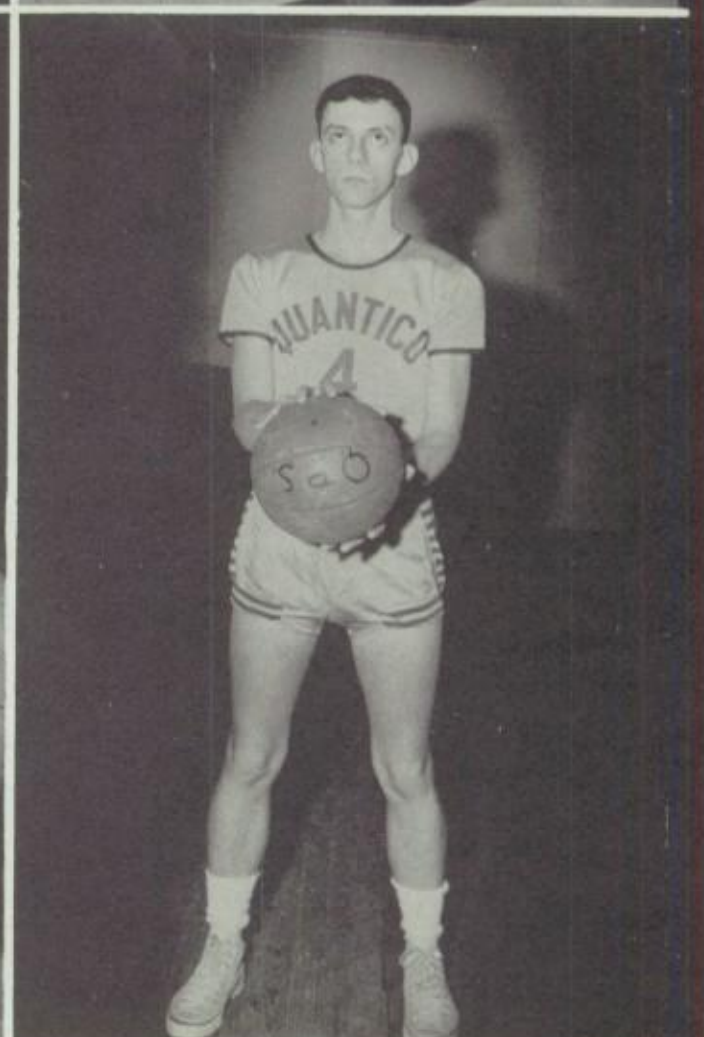

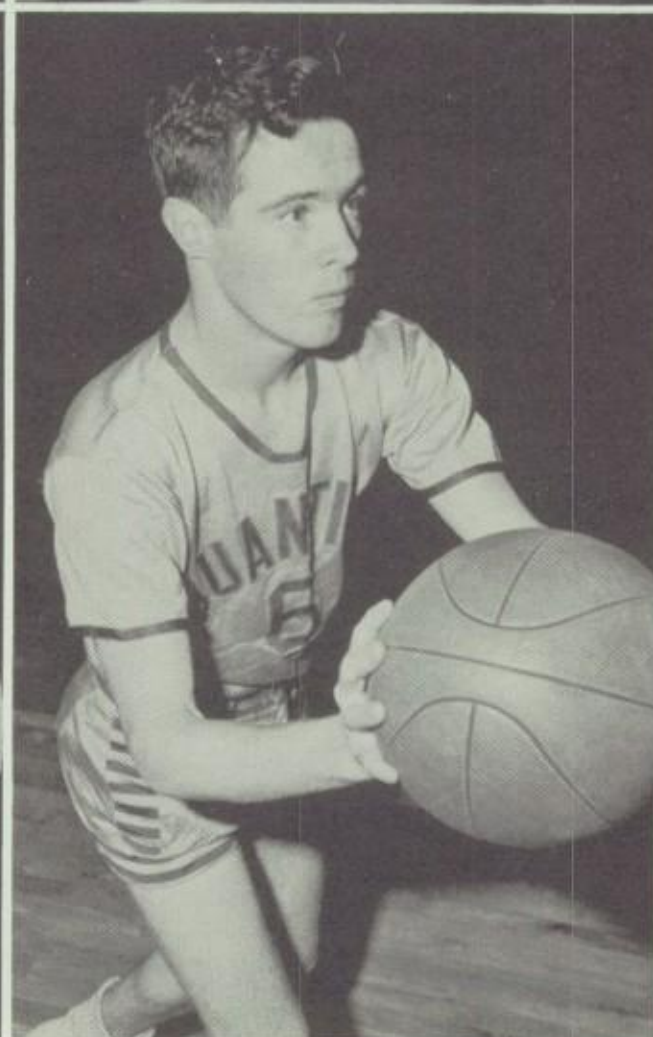

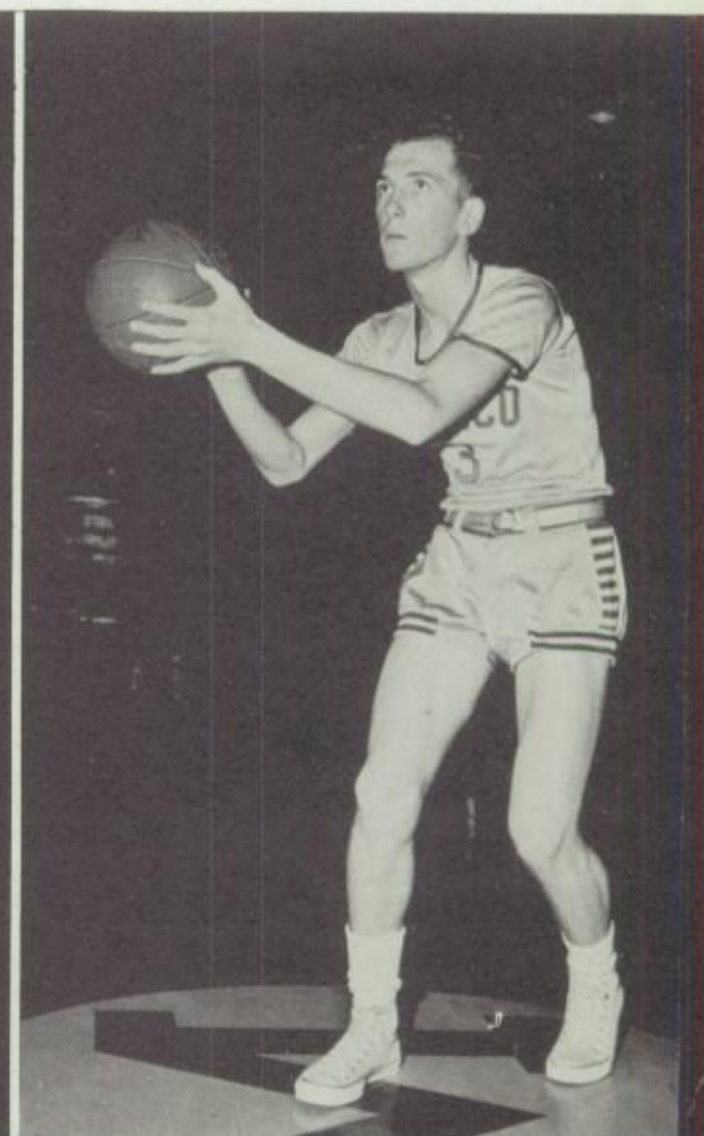

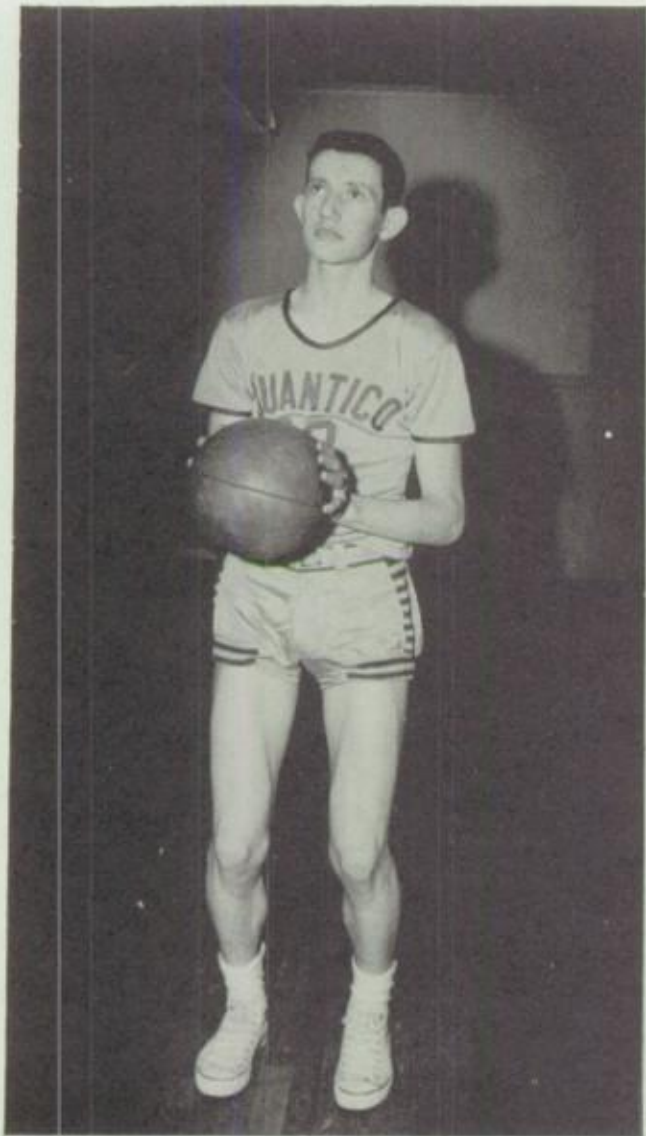

Ineligible to participate in Virginia state public school tournaments because membership in the Virginia High School League is no longer possible, team competition against the schools in our district showed a 7 win and 1 lost record.

High lights of this successful season were the championship of Prince William County public schools with a record of 5 wins and 0 losses, and the trip to Camp Lejeune, N.C., where our boys defeated the Camp School for the first time on the Lejeune floor.

The spirit and team work of this year's team will long be remembered as one of the best teams ever featured by Post High.

The Post High girls' basketball team started its season with much interest and zest.

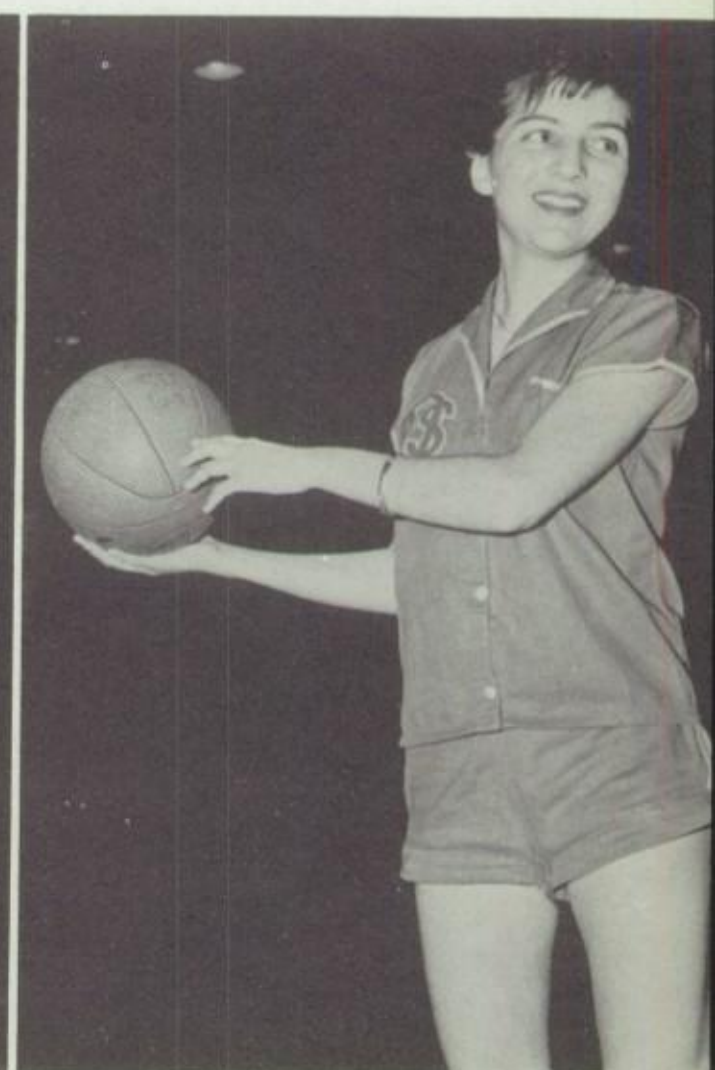

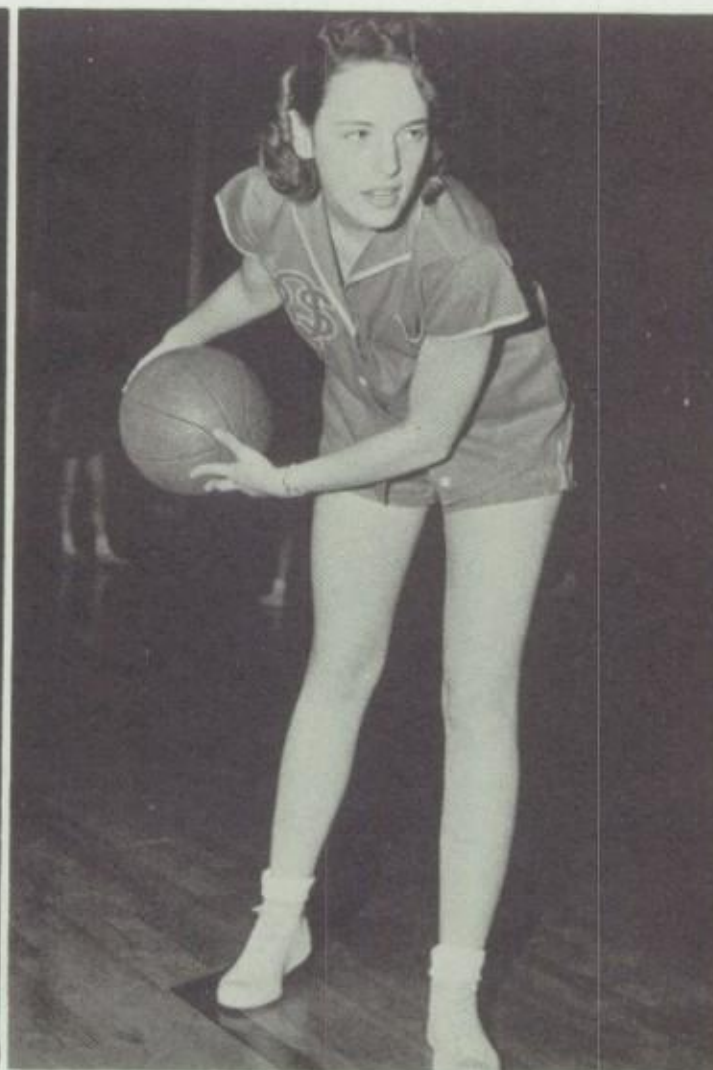

Although the season was not too successful in wins for the team, the girls played well and their sense of fair play and sportsman like conduct was a credit to them.

The last game of the season was played at Camp Lejeune, N.C., a trip which the team had looked forward to all season. The Post team lost a thrilling game by one point.
